

Rocket Cast 163 - E3 2016

I denne episode stiller vi skarpt på underholdningsmæssigen E3, der just har fundet sted og i nogen grad gjorde os opstemte. Vi diskuterer også IKEAs rapport om, hvordan vi lever i vores hjem - med eller uden teknologi, den nye OnePlus-telefon og hardware fra Snapchat. Sidst i programmet anbefaler vi en app der hjælper dig, hvis du får stjålet telefon eller computer, en YouTube-kanal med tilhørende galimatias og en digital talepædagog.
